

ICC Elite Certified Installer Program Certification & Training Course Registration Form

Premium Products | Proven Performance | Competitive Prices

As part of ICC's Elite Certified Installer Program you'll be able to offer your customers a greater range of services, professional skills and confidence. For the next five years you'll benefit from comprehensive warranties and have access to exclusive rebates and promotional programs. As an ICC Certified Technician you're granted an unlimited amount of project certifications and are eligible to receive special project pricing. ICC Certified Technicians are also offered personalized marketing, sales and technical support directly from ICC.

Before becoming an ICC Certified Technician you must successfully complete the Certification & Training Course. The goal of the course is to provide contactors with the added knowledge and skills to install, test and warrant superior performance of ICC cabling systems.

Program Registration Policy

Registration fees are refundable for cancellations made 14 days prior to the course date. Any cancellations made less than 14 days before the course date will be subject to a late cancellation fee of \$85.00. Those who do not attend the course will be considered no-shows and are liable for the entire course fee and are no longer eligible to receive the punch-down tool. If ICC should cancel the course all registrants will be refunded the full registration fee. ICC is not liable for any residual expenses incurred by the registrant. Registration policy is subject to change at ICC's sole discretion.
